The Landlord and the Tenant agree to lease the Property described herein for the terms stated below. It is understood that the Landlord is managing the property described in this agreement for **University Hill Apartments**, the Property Owner. The Owner has authorized the Landlord to act on his behalf including but not limited to the services of notice and action for summary proceeding.

LANDLORD:	TENANTS:
University Hill Apartments P.O. Box 6144 Syracuse, New York 13217	

Rental Property Address:

Date:		Total Rent:	
Term:		Monthly Rent:	
Begin Date:		Security Deposit:	
End Date:			

1. Term. The term of this Lease ("Term") shall begin at 12:00 p.m. on the lease start date above, and terminate at 12:00 p.m. on the lease end date above, unless lease dates are hereafter adjusted. This is a **JOINT and SEVERAL** lease. Each Tenant(s) is jointly and severally liable for all Lease Agreement obligations. If any Tenant(s), guests, or occupant violates the Lease Agreement, all Tenant(s) are considered to have violated the Lease Agreement. Landlord's requests and notices to any one Tenant(s) constitute notice to all Tenant(s) and occupants. Notices and requests from any one Tenant(s) or occupant (including repair requests and entry permissions) constitute notice from all Tenant(s). In eviction suits, each Tenant(s) is considered the agent of all other Tenants in the Premise for service of process. This Lease continues regardless of whether Resident is transferred, ceases to be enrolled, or for any other reason Resident is unable to continue occupancy of the Premises, and Resident's obligation to pay rent and perform all other obligations in this Lease continue until the Term ends and Landlord has been paid all sums due to it. Resident understands that a move in appointment must be made in advance of taking possession of the unit, as requested by Landlord.

2. Premises. Landlord does hereby lease unto Resident and Resident hereby leases from Landlord an apartment or room/suite (the "Unit") owned by University Hill Apartments, Syracuse, NY at the address shown above.

3. Security Deposit. Resident shall deposit with Landlord the sum of **one month rent** for the faithful performance of Resident's promises and duties contained herein (the "Security Deposit") to be due at lease signing. If Resident fails to make any part of this deposit payment, or any installment payments on time prior to taking possession of the unit Landlord has the option to view this as default of the agreement and may opt to terminate the Lease. If Landlord chooses to do so Landlord will notify Resident via email, to the email address Resident provided on Resident's rental application. Landlord shall not be required to pay any interest to Resident upon the Security Deposit. Landlord may deduct from the Security Deposit amounts sufficient to pay **(1)** any damages sustained by Landlord as a result of Resident's nonpayment of rent or non-fulfillment of the term of this Lease Agreement; **(2)** any damages to the Premises for which Resident is responsible; **(3)** any unpaid bills which become a lien against the Premises due to Resident's occupancy; **(4)** any costs of re-renting the Premises after a breach of this Agreement by Resident; **(5)** any court costs incurred by Landlord in connection with terminating the tenancy; **(6)** any other damages of Landlord which may then be deducted and paid from the Security Deposit under the laws of this State; and **(7)** the cost to have the Unit professionally cleaned after move out. **(8)** any costs for removal of garbage, debris, or abandoned personal belonging or furniture left in the Unit.

If Landlord uses or applies any of the Security Deposit during the Term, Resident shall immediately replenish it to its originally required amount. After having deducted the above amounts, Landlord shall, if Resident's forwarding address is known to Landlord, and delivery of possession of the premises is complete, pending demand by Resident, mail the balance

of the Security Deposit. Resident must notify Landlord in writing, at the end of the lease term, of an appropriate forwarding address. If Resident's address is unknown to Landlord, Landlord may deduct the above amounts and shall then hold the balance of the Security Deposit for Resident's collection for a six (6) month period beginning upon the Lease End Date and delivery of possession by Resident. Subject to applicable state law, if Resident fails to make demand for the balance of the Security Deposit within the six (6) month period, Landlord shall not thereafter be liable to Resident for a refund of the Security Deposit or any part thereof. The Security Deposit is not any part of the rent herein reserved and consequently cannot be applied to the final month's rent. The Security Deposit shall be forfeited should Lessee apply or deduct any portion of the Security Deposit from the last month's rent or attempt to apply the security deposit at any time in lieu of payment of rent. This Security Deposit shall be held without any duty to pay interest and shall be held in accordance with the laws of the state of New York.

4. Rent Payments. Time of rent payment is of the essence. In the event the rent is not received by the Landlord on or before the due date, then, at the option of Landlord, such failure to pay on time shall constitute default. Tender is not available as a remedy to Resident; that is, if rental payments are not paid on or before the due date, the delinquent payment of same will not cure the initial breach committed by nonpayment. Resident hereby waives any requirement of notice from Landlord to Resident that Resident is in default. If Landlord elects to accept a late payment, **as of 4pm on the 5th day of the month a late fee shall be assessed to Resident equal to five percent (5%) of the rental installment amount.** There will be an additional late fee assessed equal to five percent (5%) of the rental installment amount if rent is paid in full by 4pm on the 15th of the month; and a third late fee assessed equal to five percent (5%) of the rental installment amount if rent is paid in full by 4pm on the 25th of the month. Late fees will be assessed every month, even if Resident is not on a monthly payment plan. The grace period is a courtesy, but Residents are reminded rent is still due on the 1st of every month. There will be a \$35.00 fee assessed on all insufficient fund transactions, plus all applicable late fees. Resident will bear the cost of Landlord's legal fees and expenses pertaining to non-payment and collection of rent or damage fees. Landlord has the right to remind Resident of any payment due date, but the responsibility is on the Resident to make timely payments without any further notification from Landlord. Landlord will notify the respective Credit Agencies of default should payment not be made in a timely manner. This would be a 7 year line item on the tenant's respective credit report. Landlord has the right to apply payments to charges due based on Landlord's internal payment prioritization method, meaning regardless of Resident's intent payments will be posted first to late fees, damage charges, and so on, with the balance applied against base rent only after payment of such charges. Resident understands that full installment payments in agreed amount and timing must be tendered on stated due date. Landlord is not required to accept partial rental installments or payments less than the amount due. Resident may prepay for future rental installment payments due.

5. Utilities & Services:

Utilities and services supplied to the Premises shall be paid as follows: Landlord is responsible for providing heat, electricity, water & sewer, basic wireless internet access, and lawn maintenance. Should the tenant(s) want to get their own internet, Landlord will subsidize the cost with a \$15 monthly stipend per apartment. Heat is regulated by Landlord at 68 degrees Fahrenheit in a lockbox. Resident is responsible for cable television, telephone (local and long distance).

6. Use and Conduct. Resident may use and occupy the Premises for residential student housing purposes only. Resident may not conduct any commercial enterprise in the Premises. Resident shall cooperate and adjust to the concept and requirements of living in a student residence environment and shall not allow any disruptive behavior or conduct in the Premises or any nuisance in the Premises. Resident may not have any handgun; firearm; weapon of any type; explosive, flammable or hazardous substance; or anything else of a dangerous nature in the Premises. Resident may not allow the misuse of alcoholic beverages in violation of State law or University Hill Apartments rules and regulation, or the possession, use, sale or manufacture of illegal narcotics, marijuana, hypnotics, stimulants, hallucinogens or other similar known illegal drugs and/or chemicals in the Premises by Resident or Resident's guests.

7. Rules and Regulations. Resident, his guests and agents, shall comply with and abide by all of the Landlord's existing rules and regulations, and such future reasonable rules and regulations as the Landlord may from time to time at its discretion adopt.

8. Rental Application. In the event the Resident has submitted a Rental Application in connection with this Lease, Resident acknowledges that the Landlord has relied upon the Application as an inducement for entering into this Lease and the Resident warrants to Landlord that the facts stated in the Application are true to the best of Resident's knowledge. If any facts stated in the Rental Application prove to be untrue, the Landlord shall have the right to terminate the tenancy immediately and to collect from Resident any damages, including reasonable attorney's fees, resulting there from. Resident acknowledges that Landlord will screen Resident and Resident's guarantor in accordance with company policies and rental criteria.

9. Resident's Obligations. In addition to the other obligations of the Resident under this Lease, during the term of this Lease, Resident shall:

a) Use the Premises for residential use only and in a manner so as not to disturb Resident's neighbors; **b)** Not use the Premises for any unlawful or immoral purposes or occupy them in such a way as to constitute a nuisance; **c)** Keep the Premises, including, but not limited to, the apartment, all plumbing fixtures, facilities and appliances, and yards used by Resident in connection with the Premises in a clean, safe, sanitary and presentable condition; **d)** Comply with any and all obligations imposed upon Resident by applicable building and housing codes; **e)** Dispose of all rubbish, garbage, and other waste in a clean and safe manner and comply with all applicable ordinances concerning garbage collection, waste and other refuse; and remove all trash, waste, and debris from the premises a minimum of once per week; **f)** Use in a proper and reasonable manner all electrical, plumbing, sanitary, heating, ventilating, air conditioning, and other facilities and appliances, if any, furnished as a part of the Premises. Resident is liable to Landlord for any damages caused by Resident's failure to comply with this requirement; **g)** Be responsible for all damage, disturbance, and negligence caused by their guests to the premises. **h)** Be responsible for cost of repairs to any clogged drains or toilets during their tenancy, caused by anything Resident has intentionally or unintentionally put down the drain or into the toilet **i)** Be responsible for and liable to Landlord, and not deliberately create, damage to, defacement of, or removal of property from the Premises, whatever the cause, except such damage is caused by ordinary wear and tear, acts of the Landlord, or of third parties not invitees of the Resident, and natural forces.

10. Permitted Occupants. Only the Resident/s listed on the Lease are allowed to occupy the Premises. If the city and building codes allow additional occupants, and Residents wish to have an addition occupant move in the Premises, the new Resident must be approved by Landlord and added to the lease agreement. Additional Residents must meet rental criteria, and Landlord may approve or decline this request. If approved Landlord has the right to increase rental installment charges.

11. Maintenance and Repairs. Landlord shall be responsible for all repairs and maintenance to the Premises, with the exception of (i) such repairs necessitated by Resident's intentional or negligent misuse of the Premises which shall be the responsibility of Resident; and (ii) the replacement, as needed, of batteries in the smoke detectors and light bulbs in the Premises which shall be the responsibility of Resident. During the move-in period, Landlord will retain the right to have 5 business days upon the first person checking in (not lease start date) to resolve any/all deferred maintenance and/or cleaning that the tenant(s) feel have not been addressed correctly. There will not be any allowance for withholding current and future rent under any circumstances. Typically, maintenance staff stands by an expected turnaround time for basic maintenance issues of up to 72 business hours, unless the issue is a life threatening emergency. During our peak periods of move-ins, this can be stretched to 5 business days. Maintenance hours are Monday- Friday from 8:30AM – 4:30PM.

If repairs are necessary due to Resident's neglect or misuse Landlord has the right to make repairs without Resident's approval and bill these repairs to Residents. Resident shall promptly inform Landlord, or its agent, in writing, of any necessary repairs which need to be performed by Landlord. Resident shall keep the Premises and the items furnished by Landlord in good and clean condition. Resident shall promptly reimburse Landlord within thirty (30) days for all costs for necessary repairs or replacements necessitated by Resident's intentional or negligent misuse of the Premises or any items furnished by Landlord, otherwise Resident will be subject to a late fee of \$35 per month. Landlord, its officers, agents and employees, shall not be liable in any manner for any loss, injury or damage to Resident, its agents and guests, due to outstanding repairs. Landlord's sole obligation is to be reasonably diligent in Landlord's effort to execute necessary maintenance repairs.

12. Acceptance of Premises. Resident acknowledges that Resident has inspected the Premises and Resident agrees that the Premises and any common areas used in connection with them are in a safe, fit and habitable condition and, where applicable, that the electrical, plumbing, sanitary, heating, ventilating, air conditioning and other appliances furnished with the Premises are in good and proper working order. Resident also acknowledges that he/she will have the opportunity to submit a condition form to Landlord within 48 hours of move in, to document the state of the Unit at that time.

13. Right of Entry. Subject to applicable state law, Landlord can enter the Premises (a) by passkey or otherwise at all reasonable or necessary times upon reasonable, for inspection, maintenance, housekeeping, leasing, property management, or for any other purpose reasonably connected with Landlord's interest in the Premises and to perform any work or other act necessary in such connection, and to show the Premises to prospective residents, lender, or purchasers; (b) at any time in an emergency, without liability to Resident; (c) if Resident defaults under this Lease and abandons the Premises, and (d) if Tenant puts in a service request they understand maintenance will enter the apartment to complete the service request. Landlord will try to give 24 hour notice, but only as a courtesy. Oftentimes this notice will not be feasible.

14. Pets. No pets shall be allowed to be kept in or about the Premises unless Landlord has approved a pet in this agreement. Resident must also pay related pet fees, deposit(s) and rent before pet is kept in or about the Premises/Unit. If pet is approved Resident hereby agrees to pay the fees without proration for the entire term of the lease, and understands that any damage caused by the pet will be payable to Landlord from Resident, in addition to any fees. Pet must be current

on all appropriate vaccinations, shots and registration, and owner must pick up after the pet's waste promptly, or pay fees. Pet prohibitions apply to all mammals, reptiles, birds, fish and insects. Nothing in this Lease shall be construed to prohibit seeing-eye dogs for the visually impaired. In the event of a violation of this rule, Resident will be assessed a \$200 fine per occurrence, and have 48 hours to obtain proper approval or be fined an additional \$25 per day. Unauthorized and/or unregistered pets are not allowed on the property and must be removed immediately. Landlord may remove any unauthorized pet with one day's written notice of intent to remove the pet. Landlord may turn the pet over to a humane society or local authority.

15. Alterations. The Resident shall not make any alterations, additions or improvements in or to the Premises or paint or decorate Premises without the Landlord's consent and then only in a workmanlike manner using materials and contractors approved by the Landlord. All such work shall be done at the Resident's expense and at such times and in such manner as the Landlord may approve. All alterations, additions, and improvements to the Premises, whether made by the Landlord or Resident, shall become the property of the Landlord and shall remain upon and become a part of the Premises at the end of the tenancy hereby created.

16. No Assignment or Sublease. Resident shall not sublease the Premises nor assign this Lease nor allow anyone to occupy the Premises without written permission.

17. Re-lease. Landlord has a no lease termination policy. Upon signing the lease agreement Resident is legally obligated to all terms and conditions within. Although unfortunate, school enrollment changes or other life changes do not release Resident from financial responsibility of this agreement. In order to be released from the financial responsibilities outlined in this agreement, Resident may re-lease the Unit to another qualified individual, pending completion of Rental Application and approval of Landlord. In order to do so, Resident must follow the exact order of steps to re-lease outlined in steps 1 through 6 below: **1.** Resident is required to notify the office in writing that Resident intends to re-lease the Unit. **2.** Resident is solely responsible for finding a qualified applicant (a "New Resident") to take over the remaining term and payments of the lease agreement. **3.** Upon finding an applicant to re-lease the Unit, notify the office in writing of their full name and intent. **4.** Coordinate with the New Resident and Landlord to facilitate the New Resident submitting an application, and other documents needed to meet University Hill Apartments application requirements. **5.** Upon application approval, this individual must sign a lease agreement containing the exact same terms of your existing lease agreement and make all required payments of fees and deposits **6.** When the New Resident signs the lease, pays all monies due and physically takes possession of the apartment, you will be notified in writing of your official release of financial obligation. If Landlord must "turnover" the Unit, Resident is still responsible for all costs related to cleaning and repairs.

18. Renewal. If, prior to the expiration of Term, Resident executes a binding lease with Landlord for the next succeeding designated term (a "New Lease"), the terms of this Lease shall continue in full force and effect (without, however, any obligation of Resident to make any additional payment of Rent or Installment hereunder) until the beginning of the term provided in the New Lease (the "New Term"). Nevertheless, Resident shall remain liable for all amounts of additional rent which may be or become due and owing hereunder prior to the commencement of the New Term. Landlord has the right to set a renewal deadline. Renewal Rates are subject to market conditions, hence pricing can differ. Please keep in mind Landlord begins marketing apartments in September for the following school year. If Resident does not sign a "New Lease" by this deadline Landlord has the right to lease the Premises to another party. Landlord also has the right to deny Resident's ability to sign a New Lease, based on poor payment, behavior, or nuisance history. If Resident signs a Renewal lease, then decides at a later date they do not wish to stay in the New Lease, they must go through the Re-lease steps outlined.

19. Default/Landlord's Remedies. In the event Resident shall fail to perform any duty or condition of this Lease within three (3) days of having received notice from Landlord to do so (except no notice shall be required for failure to pay rent by the due date thereof), then Landlord, in addition to all other rights and remedies provided by law, shall have the right, without further notice and with or without legal process, immediately to terminate this Lease and reenter the Premises or to reenter and re-lease the Premises without terminating this Lease. In the event Landlord either terminates this Lease or reenters and re-leases without terminating, Landlord shall be entitled to collect any damages resulting from Resident's default, including, but not limited to, any costs of re-renting the Premises, the difference, if any, between the actual rental at which the Premises are re-leased and the rental provided for herein for the balance of the term, and a reasonable attorneys' fee. Upon any reentry pursuant to this paragraph, Landlord may, but shall not be obligated to, without liability to anyone for trespass or conversion, remove any personal property located in or about the Premises to be disposed of. If Landlord re-leases the premises, in no event will Landlord be obligated to pay Resident any excess credit amounts.

20. No Waiver. No failure by Landlord to exercise any rights hereunder to which Landlord may be entitled shall be deemed a waiver of Landlord's right to subsequently exercise same. Resident shall gain no rights nor become vested with any power to remain in default under the terms hereof by virtue of Landlord's failure to timely assert Landlord's rights.

21. Eminent Domain and Casualties. Landlord shall have the option to terminate this Lease if the Premises, or any part thereof, are condemned or sold in lieu of condemnation or damaged by fire or other casualty or if compliance with applicable building or housing codes requires an expenditure which, in the Landlord's reasonable opinion, is uneconomical.

22. Check-in and Check-out procedures. Immediately preceding the Resident's taking possession of the Unit, Resident may conduct an inspection of the Unit and shall note any defects or damages, and any other conditions observed, and return such documentation to Landlord within 48 hours. Landlord and Resident shall sign the report as conclusive evidence of existing defects, damages, or conditions. Upon Resident's surrendering possession of the Unit at the termination of the Lease, Landlord shall note on Landlord's copy of the report the condition of the Unit, including all appliances, furnishings and fixtures therein, and any damage done thereto which is deemed by Landlord to have occurred during Resident's occupancy and use of the Unit. If Resident fails to submit any documentation within 48 hours of move in, or fails to specifically dissent in writing to any damage or defect, the Resident waives the right to dispute any assessment of damages to the Unit.

23. Resident's Insurance. Landlord requires that Resident carries a renter's insurance policy for the entire term of the lease. Resident agrees to release and indemnify Landlord and its agents from and against liability for injury to any persons or Residents or to any members of his household, licensees, and invitees resulting from any cause whatsoever. Tenant understands that the insurance coverage purchased by Landlord is not intended to protect tenant against any loss or damage, including but not limited to: burglary, vandalism, fire, smoke or flood. Landlord is not responsible for loss or damage resulting from tenant negligence. Additionally, Landlord is not responsible for any damage to the property caused by tenant and/or all associated guests including but not limited to roommates, family members or guests, whether caused willfully, accidentally or through negligence. Tenant hereby acknowledges that he/she has been advised that Landlord is not responsible for damages to tenant personal property.

Indemnity and Hold Harmless and Resident's Insurance Clause. To the fullest extent permitted by law Residents agree at his/her/their own cost to defend, indemnify and hold harmless Landlord, its/their officers, directors, shareholders, agents, representatives, managers, employees and affiliates from and against any and all claims, suits, liens, judgments, damages, losses and expenses including reasonable attorney fees and legal expenses and costs arising in whole or in part and in any manner from the acts, omissions breach or default of Tenants, its/their officers, directors, agents, employees and subcontractors or guests. Resident's liability is joint and several. This Agreement is continuous until terminated by either party with written notice. Resident's shall obtain at his/her/their own cost a General Liability Insurance policy in an amount not less than \$1,000,000 per occurrence. Residents understand Landlord is not responsible for any loss of Resident's or their guest's property and that property insurance should be purchased by the Residents to cover these losses.

24. Resident's Duties Upon Termination. Upon any termination of the tenancy created hereby whether by Landlord or Resident and whether for breach or otherwise, Resident shall:

- (a) schedule a move out appointment in advance per Landlord's request;
- (b) vacate the Premises removing all personal property located in or about the Premises;
- (c) make such repairs and perform such other acts as are necessary to return the Premises, and any appliances or fixtures furnished in connection therewith, to same condition as when this Lease was executed, ordinary wear and tear excluded
- (d) fasten and lock all doors and windows;
- (e) return to Landlord the keys to the Premises;
- (f) turn off lights and anything else with an on/off switch; and
- (g) notify Landlord of the address to which the balance of the Security Deposit may be returned. If Resident neglects to remove all personal property, Landlord will dispose of it at Resident's expense.

25. Holding Over. If Resident fails to surrender the Unit by the end of the Term, a charge in the amount of \$100 per occupant will be charged for each day past the lease end date that Resident holds over. After termination or expiration of this Lease, this Lease shall not be deemed to have been renewed or extended and Resident shall be deemed to be a Resident at sufferance. Landlord will have the right to commence eviction proceedings, and bill costs to holdover Resident.

26. Law Applicable. This lease is entered into in the State of New York and shall be construed under the laws, statutes and ordinances of such jurisdiction.

27. Severability. The provisions hereof are independent covenants and should any provision or provisions contained in this Lease be declared by a court or other tribunal of competent jurisdiction to be void, unenforceable or illegal, then such provision or provisions shall be severable and the remaining provisions hereof shall remain at Landlord's option in full force and effect.

28. Easements, Restrictions and Rights of Way. The Premises are demised subject to all easements, restrictions and rights of way legally affecting the Premises.

29. Binding Effect and Complete Terms. The terms, covenants, conditions and agreements herein contained shall be binding and to the benefit of and shall be enforceable by Landlord and Resident and by their respective successors and assignees. All negotiations and agreements of Landlord and Resident are merged herein. No modification hereof or other purported agreement of the parties shall be enforceable unless the same is in writing and signed by the Landlord.

30. Covenant of Title and Quiet Enjoyment. Landlord covenants and warrants to Resident that Landlord has full right and lawful authority to enter into this Lease for the Term hereof and that, provided Resident is not in default hereunder, Resident's quiet and peaceable enjoyment of the Premises shall not be disturbed by anyone claiming through Landlord.

31. Construction of Lease. Lease shall not be construed more strictly against either party regardless of which party is responsible for the preparation of same.

32. Amendment of Laws. In the event that, subsequent to the execution of this Agreement, any state statute affecting any duty or obligation imposed upon the Landlord or the manner in which Security Deposits shall be held, applied or refunded, is enacted, amended, or repealed, the Landlord may, at Landlord's option, elect to perform in accordance with such statute, amendment, or act of repeal in lieu of complying with the analogous provision of this Lease or of the statutes in effect when this Lease was executed.

33. Non-Liability of Landlord. Landlord, its officers, agents and employees, shall not be liable in any manner for any loss, injury or damage to Resident, its agents and guests, including but not limited to, acts of theft, burglary, vandalism and assault. Resident assumes all risk of loss/damage to Resident's property within the Property or Premises which may be caused by water leakage, fire, wind, explosion or other cause or any other resident in the Property. Resident agrees to and hereby does indemnify and hold harmless Landlord, its officers, agents and employees from and against any and all claims for injury, loss or damages to person or property, regardless of cause, arising out of or resulting from damage, and injury that has been sustained by Resident; without in any way limiting or restricting the generality of the above, Landlord shall not be liable for any claims arising from theft, burglary, vandalism, assault and criminal activity committed on the Property.

34. Damage or Destruction of Premises. If, in the opinion of the Landlord, the Premises or Property should become untenable during the term hereof because of damage or destruction by fire or other occurrence, Landlord shall have the right to opt to terminate this lease, or to opt to relocate Resident to another similar apartment within the company. In the event of such damage or destruction to the Premises or Property without the fault of Resident, his agents or invitees, Resident's obligations to pay rent hereunder shall be abated only if Landlord terminates this Lease, or does not furnish Resident with another similar unit within the company. If damage or destruction of the Premises or its furnishings is determined to be the fault of the Resident or Resident's invitees, then Resident and/or Guarantor agrees to pay for all repairs and damages (including replacement costs) beyond that attributed to normal wear and tear.

35. Security. Landlord does not promise, warrant, or guarantee the safety or security of Lessee or Lessee's personal property against the criminal actions of other residents or third parties. The Lessee agrees to look solely to the public police for security protection.

36. Parking. Resident understands that Resident must follow all parking rules. Resident understands that if he/she or Resident's guests do not follow all parking rules, posted or not posted, or park anywhere other than a designated parking space, vehicle is subject to being towed at the vehicle owner's expense. Parking is done at the Resident's own risk, and Resident hereby indemnifies Manager from any possible liability.

37. Abandonment of Property. Subject to applicable state law, any property of the Lessee remaining on the Premises, in any general storage space, or otherwise in or about the Premises after the termination hereof shall be deemed to be abandoned by the Lessee, and Landlord may remove and dispose of such property without any liability to Landlord therefore, and said property so abandoned shall be and become the property of the Landlord.

38. Miscellaneous. This Lease and any attached addenda constitute the entire Lease between the parties and no oral statements shall be binding. Any amendment to this Lease, other than a change to the Rules and Regulations, must be in writing and signed by both parties. Time is of the essence in the obligation under this Lease. In the event, for any reason, that the said property is sold or there is a change in the property managing entity as assigned by the owner, this Lease may be re-assigned to the new property owner or management entity. Resident agrees to allow Landlord permission to use,

alter and publish photographs, reproductions, video, audio or likeness of residents and the Unit for use in media referencing the Landlord for the purpose of advertising the property and hereby consents to such use.

39. Pest Infestation. Whether or not Resident experience a pest infestation in the Premises depends largely on Resident maintaining the Premises in a neat, clean and sanitary condition, and immediately informing Landlord of any indication or sign of pests. In the event Resident observes a rodent or an insect, including but not limited to so-called bed bugs, or experience symptoms consistent with insect bites, Resident must promptly notify Landlord of that fact. Resident understands that a pest infestation can occur suddenly, even in a sanitary living environment, and proliferate if not treated quickly. Resident agrees to properly dispose of refuse, to refrain from using and/or storing second-hand items and to always maintain the Unit in a clean and sanitary condition, to reduce the risks of certain types of pest infestation.

As part of Resident's compliance with this general obligation, Resident agrees as follows:

- a) Timely notice and cooperation are critically important to eliminating a pest infestation, and Resident agrees to immediately report to Landlord orally and in writing any pest infestation Resident discovers, identifying the location of such infestation within the apartment. Cost of pest Infestation will be born by tenant(s) if apartment is not kept in a clean state.
- b) Cleanliness is an effective means of reducing the likelihood of experiencing a pest infestation, and Resident agrees to keep the Unit in a clean and orderly state at all times.
- c) Used articles of clothing, linens and bedding Items, luggage and furnishings may be infested with pests, including but not limited to so-called bed bugs, and Resident agrees not to use or store secondhand items in the Apartment without first having a licensed exterminator certify that such items are pest free.
- d) Vinyl mattress covers may in certain situations be helpful to combating or preventing pest infestations, and Resident agrees to continuously use a vinyl mattress cover on all mattresses in the Unit, if Landlord asks Resident to do so.
- e) Immediate and continuous access may be required to address a pest infestation, and Resident agrees to provide us and our consultants with open access to inspect, remediate and monitor a pest infestation.
- f) Remediation methods will be determined by Landlord, in Landlord's sole discretion, and you authorize Landlord to dispose of infested furniture and clothing articles, unless Resident immediately removes such items from the Community, without reimbursement to Resident, and Resident waives any right Resident might have under this Lease or by statute to receive compensation for property loss as a result of the remediation of a pest infestation.
- g) Relocation may be required during a period of pest infestation and remediation of the apartment or of another apartment within the building. Landlord may choose to relocate Resident to another apartment, to another comparable facility, or to temporary reasonable housing.
- h) Payment of rent is not discretionary, and during a period of pest infestation and the abatement of same, whether or not Resident continually occupies the Unit, Resident cannot stop payment of or reduce Rent. Landlord will not be responsible for any injuries or damages to Resident or any other person that results from a pest infestation and Resident agrees for Resident and all other parties to release and indemnify landlord in accordance with Section 35 of this Lease.

40. Mold and Mildew. Resident acknowledges that it is necessary for the Resident to provide appropriate climate control, keep the Unit clean, and take other measures to retard and prevent mold and mildew from accumulating in the Unit. Resident agrees to clean and dust unit on a regular basis to remove visible moisture accumulation on windows, walls and other surfaces as soon as reasonably possible. Resident agrees not to block or cover heating, ventilation or air conditioning ducts in the Unit. Resident also agrees to immediately report to the Management office: 1) Any evidence of a water leak or excessive moisture in the Unit as well as any storage room or common area; 2) Any evidence of a mold or mildew like growth that cannot be removed by simply applying a common household cleaner and wiping the area; 3) Any failure or malfunction of the heating, ventilation or air conditioning system in the Unit; and 4) any inoperable doors. Resident further agrees that Resident shall be responsible for damage to the Unit and Resident's property as well as injury to Resident and occupants resulting from Resident's failure to comply with the terms of this paragraph.

Rule & Regulations

These Rules and Regulations are incorporated by reference into the Lease Agreement between Landlord and Resident and are a part thereof. They are promulgated for the purpose of preserving the welfare, safety, and convenience of Residents at University Hill Apartments and for the purposes of making a fair distribution of services and facilities for all Residents, and for the purpose of preserving Landlord's property and other residents from abusive treatment.

1. Fire warning devices and safety equipment are to be used only in case of emergency. The sounding of a fire alarm should be taken seriously. In the event of an alarm, Residents are to vacate the premises immediately. Residents will be instructed by Landlord's staff when they will be allowed to return to their apartments. Residents who do not vacate their apartments during a fire alarm are subject to disciplinary action. The intentional sounding of an alarm outside of an emergency situation is a criminal offense and a material breach of the Lease Agreement. At lease commencement Landlord will test the smoke detectors in premises for proper operation and working batteries. Once Resident takes possession of the unit it is Resident's responsibility to maintain functional batteries in all smoke detectors. Tampering or altering smoke detectors will result in a \$25.00 fine. Any violation is a default under the Lease which would entitle Landlord to declare a default and pursue all remedies provided to Landlord.
